

work we can do for our veterans when we work together.

We worked together to pass the 21st Century Cures Act to encourage biomedical innovation and the development of lifesaving treatments and cures. This creative, bipartisan approach cuts through red tape, allowing innovators to focus on lifesaving discoveries rather than government bureaucracy. These are the solutions we can create when we work together.

Last night, we passed the PACE Act, which enables employees at small- and medium-sized businesses to keep their health insurance plans. This is the kind of bipartisan work we can accomplish.

If we work together, we can get things done for the American people. We can find a long-term sustainable solution to funding our highways and infrastructure; we can pass a budget that creates jobs and opportunity, grows our economy, and improves our national security; and we can reform our broken Tax Code so it provides certainty, encourages job growth, and enables us to compete on a global scale.

Instead, I've watched Congress fight once again in a partisan way, without a bipartisan solution on the horizon. This is not what Arizonans want. It is not what the American people want.

I offer this motion today to stand for something we all agree on, protecting the health of women, and I ask my colleagues to support this reasonable motion.

Madam Speaker, I yield back the balance of my time.

Mr. PITTS. Madam Speaker, I withdraw my reservation of a point of order.

The SPEAKER pro tempore. The reservation of the point of order is withdrawn.

Mr. PITTS. Madam Speaker, I claim the time in opposition to the gentleman's motion.

The SPEAKER pro tempore. The gentleman from Pennsylvania is recognized for 5 minutes.

Mr. PITTS. Madam Speaker, today, under the Obama administration's interpretation of Federal statute, States are forced to include in their Medicaid program providers who perform elective abortions, whether they like it or not.

The Women's Public Health and Safety Act is a commonsense measure that would allow a State to choose to establish criteria regarding the participation in its Medicaid program of entities or persons who perform or participate in the performance of elective abortions.

Unlike what some Members on the other side of the aisle have said, this bill will not harm women's access to health care. Rather, this gives States more tools to design a Medicaid program that fully serves low-income women and men.

The Women's Public Health and Safety Act would put States back in the driver's seat and let each State design

their Medicaid program in a manner that best meets the needs and respects the choices and values of the people within their States.

This bill should be supported by every Member who believes the States should be strong, full partners in the operation of the Medicaid program. If State taxpayers do not want to include abortion providers in their Medicaid program, they should not be forced to include them.

I urge the Members strongly to vote "no" on the motion to recommit.

I yield back the balance of my time. The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the yeas appeared to have it.

Ms. SINEMA. Madam Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess subject to the call of the Chair.

Accordingly (at 3 o'clock and 21 minutes p.m.), the House stood in recess.

□ 1545

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mrs. WAGNER) at 3 o'clock and 45 minutes p.m.

MESSAGE FROM THE SENATE

A message from the Senate by Ms. Curtis, one of its clerks, announced that the Senate has passed without amendment a bill of the House of the following title:

H.R. 3614. An act to amend title 49, United States Code, to extend authorizations for the airport improvement program, to amend the Internal Revenue code of 1986 to extend the funding and expenditure authority of the Airport and Airway Trust Fund, and for other purposes.

WOMEN'S PUBLIC HEALTH AND SAFETY ACT

The SPEAKER pro tempore. The unfinished business is the vote on the motion to recommit on the bill (H.R. 3495) to amend title XIX of the Social Security Act to allow for greater State flexibility with respect to excluding providers who are involved in abortions, offered by the gentlewoman from Arizona (Ms. SINEMA), on which the yeas and nays were ordered.

The Clerk will redesignate the motion.

The Clerk redesignated the motion.

The SPEAKER pro tempore. The question is on the motion to recommit.

The vote was taken by electronic device, and there were—yeas 184, nays 242, not voting 8, as follows:
